You won t know me... I won t call you

Fmaj7 **Em**
I won t be there... To remind you

A **G** **Fmaj7** **Em**
What you told me... When I showed you... in the morning... let me know you ll

Am **D**
Drive back to your old town... I wanna wake up with no-one around

Am
Drive back to your old town

A **G**
If somebody is... haunting your mind

Fmaj7 **Em**
Look in my eyes... let me hide you

A **G** **Fmaj7** **Em**
From yourself and... all your old friends... every good thing... comes to an
end.

Am
Drive back... Drive back... Drive back

Am **D**
Drive back to your old town... I wanna wake up with no-one around

Am **D**
Drive back to your old town... I wanna wake up with no-one around
