

**Ever After**  
**Neil Young**

**G# C# G#**  
When you hear that rooster crowing

**Eb G#**  
In the dawn, in the dawn

**C# G#**  
There s really no way of knowing

**Eb G#**  
What goes on, what goes on

The world is full of questions  
Some are answered, some are not  
The only faith you re keepin  
Is the faith that you still got

**C# G# Eb G#**  
I love the sound of laughter and music in the air  
**C# G# Eb G# C# G# C# G#**  
And in the ever after I know it s always there

A man had many boxes  
And he liked them quite a lot  
But they would not be opened  
Cause the value would be shot

Sometimes when I go walkin  
In the trees, in the trees  
That s where I do my prayin  
In the trees, in the trees

The world is full of answers,  
Some are right, some are wrong  
The one that I believe in  
Is a wish in a song

I love to see you smilin and hear your voice so fair  
And in the ever after I know you re always there
