Ever After
Neil Young

```
        G#         C#        G#
When you hear that rooster crowing
      Eb           G#
In the dawn, in the dawn
                   C#       G#
There s really no way of knowing
        Eb              G#
What goes on, what goes on
```

The world is full of questions
Some are answered, some are not
The only faith you re keepin
Is the faith that you still got

```
  C#                  G#            Eb          G#
I love the sound of laughter and music in the air
    C#          G#       Eb                 G#     C#  G#  C#  G#
And in the ever after I know it s always there
```

A man had many boxes
And he liked them quite a lot
But they would not be opened
 Cause the value would be shot

Sometimes when I go walkin
In the trees, in the trees
That s where I do my prayin
In the trees, in the trees

The world is full of answers,
Some are right, some are wrong
The one that I believe in
Is a wish in a song

I love to see you smilin and hear your voice so fair
And in the ever after I know you re always there
