

Ever After
Neil Young

F# **B** **F#**
When you hear that rooster crowing

C# **F#**
In the dawn, in the dawn

B **F#**
There s really no way of knowing

C# **F#**
What goes on, what goes on

The world is full of questions
Some are answered, some are not
The only faith you re keepin
Is the faith that you still got

B **F#** **C#** **F#**
I love the sound of laughter and music in the air
B **F#** **C#** **F#** **B** **F#** **B** **F#**
And in the ever after I know it s always there

A man had many boxes
And he liked them quite a lot
But they would not be opened
Cause the value would be shot

Sometimes when I go walkin
In the trees, in the trees
That s where I do my prayin
In the trees, in the trees

The world is full of answers,
Some are right, some are wrong
The one that I believe in
Is a wish in a song

I love to see you smilin and hear your voice so fair
And in the ever after I know you re always there
