When you hear that rooster crowing

In the dawn, in the dawn

 $\mathbf{D}$ 

There s really no way of knowing

What goes on, what goes on

The world is full of questions Some are answered, some are not The only faith you re keepin Is the faith that you still got

I love the sound of laughter and music in the air

And in the ever after I know it s always there

A man had many boxes

And he liked them quite a lot

But they would not be opened

Cause the value would be shot

Sometimes when I go walkin
In the trees, in the trees
That s where I do my prayin
In the trees, in the trees

The world is full of answers, Some are right, some are wrong The one that I believe in Is a wish in a song

I love to see you smilin and hear your voice so fair And in the ever after I know you re always there
