

Expecting To Fly
Neil Young

EXPECTING TO FLY

Bb **Fm** **Eb**
There you stood on the edge of your feather,
F
expecting to fly.

Bb **Fm**
While I laughed, I wondered whether

Eb **F** **Bb**
I could wave goodbye,

Eb **G#**
Knowin that you d gone.

Bbm7 **Eb7**
By the summer it was healing,

G# **C#**
we had said goodbye.

Bbm7 **Eb7**
All the years we d spent with feeling

G# **C#**
ended with a cry,

C#maj7 **C#**
Babe, ended with a cry,

C#maj7 **G#maj7** **Bb**
Babe, ended with a cry.

I tried so hard to stand
as I stumbled and fell to the ground.
So hard to laugh as I fumbled
and reached for the love I found,
knowin it was gone.
If I never lived without you,
now you know I d die.
If I never said I loved you,
now you know I d try,
Babe, now you know I d try.
Babe, now you know I d try,

C#maj7 G#
Babe.
