

Expecting To Fly

EXPECTING TO FLY

G **Dm** **C**
There you stood on the edge of your feather,
D
expecting to fly.

G **Dm**
While I laughed, I wondered whether

C **D** **G**
I could wave goodbye,

C **F**
Knowin that you d gone.

Gm7 **C7**
By the summer it was healing,

F **Bb**
we had said goodbye.

Gm7 **C7**
All the years we d spent with feeling

F **Bb**
ended with a cry,

Bbmaj7 **Bb**
Babe, ended with a cry,

Bbmaj7 **Fmaj7** **G**
Babe, ended with a cry.

I tried so hard to stand
as I stumbled and fell to the ground.
So hard to laugh as I fumbled
and reached for the love I found,
knowin it was gone.
If I never lived without you,
now you know I d die.
If I never said I loved you,
now you know I d try,
Babe, now you know I d try.
Babe, now you know I d try,

Bbmaj7 F
Babe.
