

Expecting To Fly
Neil Young

EXPECTING TO FLY

G# **Ebm** **C#**

There you stood on the edge of your feather,

Eb
expecting to fly.

G# **Ebm**
While I laughed, I wondered whether

C# **Eb** **G#**
I could wave goodbye,

C# **F#**
Knowin that you d gone.

G#m7 **C#7**
By the summer it was healing,

F# **B**
we had said goodbye.

G#m7 **C#7**
All the years we d spent with feeling

F# **B**
ended with a cry,

Bmaj7 **B**
Babe, ended with a cry,

Bmaj7 **F#maj7** **G#**
Babe, ended with a cry.

I tried so hard to stand
as I stumbled and fell to the ground.
So hard to laugh as I fumbled
and reached for the love I found,
knowin it was gone.
If I never lived without you,
now you know I d die.
If I never said I loved you,
now you know I d try,
Babe, now you know I d try.
Babe, now you know I d try,

Bmaj7 F#
Babe.
