FALLEN ANGEL
Neil Young

This song is originally played on the organ. But sounds pretty good on a guitar. Try playing it with a lot of reverb. For a neat undertone effect try having a friend playing the chords lightly with some distortion and feedback.

Intro: G (Let ring)

```
G#           G#/F#  C#                   Eb           G#
Fallen angel who s your savior tonight
G#           G#/F#           C#                   Eb           G#
You re surrounded by these walls and neon lights
G#           G#/F#  C#                   Eb           G#
Hungry people move like waves behind the beat
G#           G#/F#           C#                   Eb           G#
Where s the big drum where s the feel of body heat
G#           G#/F#           C#                   Eb           G#
Where s the big drum where s the feel of body heat
```
