Falling off the face of the earth

Falling off the face of the earth
```
(Verse 2) Do same as first verse **G# C# G# C# F#maj7**

I just want to tell you

You sure mean a lot to me

It may sound simple

But you are the world to me

It s such a precious thing

That time we shared together

I must apologize

For the troubled times

(Chorus)

Feel like I m falling

Falling off the face of the earth

Feel like I m falling

Falling off the face of the earth

Falling off the face of the earth

Oh...

Feel like I m falling

Falling off the face of the earth

Falling off the face of the earth

Falling off the face of the earth

Feel like I m falling

Falling off the face of the earth

Feel like I m falling

Falling off the face of the earth
