I ve been wrong before and I ll be there again  
**G** **A7** **C** **D**  
I don t have any answers my friend  
**G** **C**  
Just this pile of old questions my memory left me here  
**G** **D** **G**  
In the field of opportunity it s plowin time again.

**G** **C**  
I m going back to my house but I m not goin now  
**G** **A7** **C** **D**  
It s too early to be leaving here, somehow  
**G** **C**  
Let me bore you with this story How my lover let me down  
**G** **D** **G**  
While I borrow seeds of sadness from the ground.

**C** **G**  
In the field of opportunity it s plowin time again.  
**A7** **D**  
There ain t no way of telling where these seeds will rise or when  
**G** **C**  
I ll just wait around til springtime and then, I ll find a friend  
**G** **D** **G**  
In the field of opportunity it s plowin time again.

When I m all done cultivatin i ll be rockin on the porch  
**G** **A7** **C** **D**  
Tryin to picture you and where you are  
**G** **C**  
And there ll be no hesitatin when Cupid lights the torch  
**G** **D** **G**  
With those headlights comin down the hill between the stars.

**C** **G**  
In the field of opportunity it s plowin time again.  
**A7** **D**  
There ain t no way of telling where these seeds will rise or when

I ll just wait around til springtime and then, I ll find a friend
