I think I ll go out to Alberta
      **G#**              **C#**
Wheather s good there in the fall
        **C#**            **Ebm**       **G#**    **G#**
I ve got some friends that I can go working for
    **C#**              **Ebm**
Still I wish you d change your mind
  **G#**           **C#**
If I ask you one more time
     **Ebm**           **F#**         **G#**    **G#**
But we ve been through that a hundred times or more
**C#**   **C#**                **Ebm**
Four strong winds that blow lonely
    **G#**          **C#**
Seven seas that run high
      **C#**          **Ebm**       **G#**    **G#**
All those things that don t change come what may
    **C#**         **Ebm**
For the good times are all gone
    **G#**        **C#**
And I m bound for moving on
  **Ebm**          **F#**       **G#**     **G#**
I ll look for you if I m ever back this way
     **C#**           **Ebm**
If I get there before the snow flies,
   **G#**        **C#**
and if things are looking good
      **C#**    **Ebm**         **G#**    **G#**
You could meet me if I sent you down the fare
    **C#**          **Ebm**
But by then it would be winter
   **G#**        **C#**
Not too much for you to do
    **Ebm**        **F#**       **G#**    **G#**
And those winds sure can blow cold way out there
**G#**     **G#**         **Bbm**
Four strong winds that blow lonely
   **Eb**         **G#**
Seven seas that run high
      **G#**        **Bbm**        **Eb**    **Eb**
All those things that don t change come what may
   **G#**         **Bbm**
For the good times are all gone
    **Eb**        **G#**
