I think I ll go out to Alberta
        F#   **B**
Wheather s good there in the fall
         B   **C#m**   **F#**   **F#**
I ve got some friends that I can go working for
     B   **C#m**
Still I wish you d change your mind
   F#   **B**
If I ask you one more time
       C#m   **E**   **F#**   **F#**
But we ve been through that a hundred times or more
B   **B**   **C#m**
Four strong winds that blow lonely
     F#   **B**
Seven seas that run high
       B   **C#m**   **F#**   **F#**
All those things that don t change come what may
      B   **C#m**
For the good times are all gone
      F#   **B**
And I m bound for moving on
    C#m   **E**   **F#**   **F#**
I ll look for you if I m ever back this way
      B   **C#m**
If I get there before the snow flies,
    F#   **B**
and if things are looking good
      B   **C#m**   **F#**   **F#**
You could meet me if I sent you down the fare
     B   **C#m**
But by then it would be winter
      F#   **B**
Not too much for you to do
    C#m   **E**   **F#**   **F#**
And those winds sure can blow cold way out there
F#   **F#**   **G#m**
Four strong winds that blow lonely
     C#   **F#**
Seven seas that run high
       F#   **G#m**   **C#**   **C#**
All those things that don t change come what may
      F#   **G#m**
For the good times are all gone
      C#   **F#**

```
And I m bound for moving on

I ll look for you if I m ever back this way
B           B                 C#m
Four strong winds that blow lonely

Seven seas that run high

All those things that don t change come what may
        B                       C#m
For the good times are all gone
        F#                   B
And I m bound for moving on
          C#m                E                     F#            F#
I ll look for you if I m ever back this way
