

Get Back To The Country
Neil Young

(**Bb**)

Got lucky with a rock n roll band

Struck gold in Hollywood

All that time I knew I would

Refrão:

Get back to the country

G# **Eb** **Bb**

(**Bb**)

Big buses and trucks unload

After the curtain falls

Load up and then we all

F

Get back to the country

Back where it all began

F

Get back to the country

G# **Eb** **Bb**

Back on the road again.
