Get Back To The Country
Neil Young

(**G#**)
When I was a younger man

Got lucky with a rock n roll band

Struck gold in Hollywood

All that time I knew I would

Refrão:

F#   **C#**   **G#**
Back in the barn again.

(**G#**)

Big buses and trucks unload
After the curtain falls
Load up and then we all

Back where it all began

Eb
Get back to the country
F#   **C#**   **G#**
Back on the road again.
