

Here For You  
Neil Young

Intro: Bb Cm Dm Eb Bb Dm G# F

When your summer days come tumbling down  
And you find yourself alone  
Then you can come back and be with me  
Just close your eyes and I ll be there  
Listen to the sound  
Of this old heart beating for you

Yes I d miss you  
But I never want to hold you down  
You might say I m here for you

Intro: Bb Cm Dm Eb Bb Dm G# F

When the winter comes to your new home  
And snowflakes are falling down  
Then you can come back and be with me  
Just close your eyes and I ll be there  
Listen to the sound  
Of this old heart beating for you

Yes I d miss you  
But I never want to hold you down  
You might say I m here for you

In the spring, protective arms surrounding you

In the fall, we let you go your way  
F# G#  
Happiness I know will always find you  
F# G# F  
And when it does, I hope that it will stay
