

Here For You
Neil Young

Intro: G# Bbm Cm C# G# Cm F# Eb

When your summer days come tumbling down
And you find yourself alone
Then you can come back and be with me
Just close your eyes and I ll be there
Listen to the sound
Of this old heart beating for you

Yes I d miss you
But I never want to hold you down
You might say I m here for you

When the winter comes to your new home
And snowflakes are falling down
Then you can come back and be with me
Just close your eyes and I ll be there
Listen to the sound
Of this old heart beating for you

Yes I d miss you
But I never want to hold you down
You might say I m here for you

In the spring, protective arms surrounding you

In the fall, we let you go your way

E F#
Happiness I know will always find you

E F# Eb
And when it does, I hope that it will stay
