Calling me to bring my guitar home

In the dusty desert wind the fox goes lookin for a friend  
She sees a light around the bend,  
It s me I m on the interstate, I can hear a soft voice calling,  
Calling me to bring my guitar home

I m happy singing in a crowd, the lights are bright the music s loud  
I like to look in every face  
But out on the interstate... etc.

Have fun!
