Children are laughing in the sun, I count the voices one by one,
B **Ebm**
But I m not there to share the fun,
F# **E**
I m out on the interstate, I can hear a soft voice calling,

Calling me to bring my guitar home

In the dusty desert wind the fox goes lookin for a friend
She sees a light around the bend,
It s me I m on the interstate, I can hear a soft voice calling,
Calling me to bring my guitar home

I m happy singing in a crowd, the lights are bright the music s loud
I like to look in every face
But out on the interstate... etc.

Have fun!
