

Let's Impeach The President

Neil Young

G D G
Let s impeach the president for lying
D Em G
and misleading our country into war,
D G
abusing all the power that we gave him,
D G
and shipping all our money out the door.

G D G
Who s the man who hired all the criminals,
D
Em G
the White House shadows who hide behind closed doors,
D G
and bend the facts to fit with their new stories,
D G
of why we have to send our men to war?

G D G
Let s impeach the president for spying
D Em G
on citizens inside their own homes,
D G
breaking every law in the country,
D G
tapping our computers and telephones.

G D G
What if Al Qaeda blew up the levees,
D Em G
would New Orleans have been safer that way,
D G
sheltered by our government s protection
D G
or was someone just not home that day?

G D G
Yeah, let s impeach the president for hijacking
D Em G
our religion and using it to get elected,
D G
dividing our country into colors,
D G
and still leaving black people neglected.
