This is a great song from Neil Young's new album "Fork in the Road" coming out April 7th., 2009. I tabbed this from listening to the album on Myspace. Cheers for that, Neil!

**Em**

Instead of cursing the darkness

**Am**

Light a candle for where we're going

**Em**

**B7**

**Em**

There's something ahead worth looking for

**Em**

When the line of time is on us

**Am**

We will see our moment come

**Em**

**B7**

**Em**

And the living soul inside will carry on

**Am**

**Em**

It's a chance to give new meaning

**D**

**Em**

To every move we made

**Am**

**Em**

Through the caverns and the caves

**D**

**A**

Where we come from

(Fill Lick)

Slide guitar solo:

**Em**

**Am**

**Em**

**B7**

**Em**

When the light of dawn is on us

We will see what we can be

And the ancient ones can sleep an easy sleep

In the hallways of the ages

On the road to history

What we do now will always be with us

It's a chance to give new meaning  
To every move we made  
Through the caverns and the caves  
Where we come from

Instead of cursing the darkness  
Light a candle for where we're going  
There's something ahead worth looking for

When the line of time is on us  
We will see our moment come  
And the living soul inside will carry on

Light a candle in the darkness  
So others might see ahead  
Light a candle in the darkness  
When you go

This is a really simple, beautiful song. I hope you guys enjoy playing it as much as I do.
