

Like A Hurricane
Neil Young

[Verse 1]

G#m **F#**
Once I thought I saw you in a crowded, hazy bar,
E **Ebm F#**
dancing on the light from star to star.
G#m **F#**
Far across the moon beams, I know that s who you are.
E **Ebm F#**
I saw your brown eyes turning once to fire.
B F# E F# B F# E F#
You are like a hurricane: there s calm in your eye.
B F# E F#
And I m getting blown away.
E
There s somewhere safer where the feelings stay.
G#m F# E Ebm F#
I wanna love you but I m getting blown away.

[Verse 2]

G#m **F#**
I am just a dreamer, but you are just a dream,
E **Ebm F#**
and you could have been anyone to me.
G#m **F#**
Before that moment you touched my lips,
E **Ebm F#**
that perfect feeling when time just slips
E **Ebm F#**
away between us and our foggy trips.
B F# E F# B F# E F#
You are like a hurricane: there s calm in your eye.
B F# E F#
And I m getting blown away.
E
There s somewhere safer where the feelings stay.
G#m F# E Ebm F#
I wanna love you but I m getting blown away.
