

Like A Hurricane
Neil Young

[Verse 1]

Bm **A**
Once I thought I saw you in a crowded, hazy bar,
G **F#m A**
dancing on the light from star to star.
Bm **A**
Far across the moon beams, I know that s who you are.
G **F#m A**
I saw your brown eyes turning once to fire.
D A G A D A G A
You are like a hurricane: there s calm in your eye.
D A G A
And I m getting blown away.
G
There s somewhere safer where the feelings stay.
Bm A G F#m A
I wanna love you but I m getting blown away.

[Verse 2]

Bm **A**
I am just a dreamer, but you are just a dream,
G **F#m A**
and you could have been anyone to me.
Bm **A**
Before that moment you touched my lips,
G **F#m A**
that perfect feeling when time just slips
G **F#m A**
away between us and our foggy trips.
D A G A D A G A
You are like a hurricane: there s calm in your eye.
D A G A
And I m getting blown away.
G
There s somewhere safer where the feelings stay.
Bm A G F#m A
I wanna love you but I m getting blown away.
