

Living With War
Neil Young

(intro) **C# Bbm C# G# C# Bbm F# G# C# Bbm F# G#**

C#
I m living with war every day,
C#
I m living with war in my heart every day,
C#
I m living with war right now.

C#
And when the dawn breaks I see my fellow man,
C#
and on the flat-screen we kill and we re killed again.
And when the night falls, I pray for peace,
try to remember peace.

C#
I join the multitudes, I raise my hand in peace,
C#
I never bow to the laws of the thought police.
I take a holy vow to never kill again,
to never kill again.

C#
I m living with war in my heart,
C#
I m living with war in my heart and my mind,
C#
I m living with war right now.

C#
Don t take no tidal wave, don t take no mass grave,
C#
don t take no smokin gun to show how the West was won.

But when the curtain falls, I pray for peace,
try to remember peace.

C#
In the crowded streets, in the big hotels,

C# in the mosques and the doors of the old museum, **G#** **F#** **C#**
I take a holy vow **G#** to never kill again, **C#**
try to remember peace. **F#** **C# G# C#**

F# The rocket s red glare, bombs bursting in air, **C#**
F#
C# give proof through the night, that our flag is still there.
