

**Long May You Run**  
**Neil Young**

D                    A/D                    G                    D  
We ve been through some things together,  
Bm                    G                    A  
With trunks of memories still to come.  
D                    A/D                    G                    D  
We found things to do in stormy weather.  
Bm    A                    D  
Long may you run.

D                    A/D    G                    D  
Long may you run, long may you run,  
Bm                    G                    A  
Although these changes have come.  
D                                    A/D  
With your chrome heart shinin  
G            D    Bm    A                    D    G    Bb D  
in the sun, long may you run.

D                                    A/D                    G                    D  
Well it was back in Blind River in nineteen sixtytwo  
Bm                    G                    A  
When I last saw you alive.  
D                                    A/D                    G                    D  
But we missed that ship on the long decline.  
Bm    A                    D  
Long may you run.

D                    A/D    G                    D  
Long may you run, long may you run,  
Bm                    G                    A  
Although these changes have come.  
D                                    A/D  
With your chrome heart shinin  
G            D    Bm    A                    D    G    Bb D  
in the sun, long may you run.

D Dsus4 D

D                    A/D                    G                    D  
Maybe the Beach Boys have got you now  
Bm                    G                    A  
With those waves singin Caroline.  
D                                    A/D                    G                    D  
Rollin down that empty ocean road,  
Bm                    A                    D  
Get into the surf on time.

D                      A/D    G                      D

Long may you run, long may you run,

Bm                      G                      A

Although these changes have come.

D                      A/D

With your chrome heart shinin

G              D       Bm     A              D       G       Bb D

in the sun, long may you run.

D                      Dsus4                      D
