Lookin? for somebody young enough to take it on
Em D G Em
Clean up the corruption and make the country strong

Walkin? among our people there?s someone who?s straight and strong
To lead us from desolation and a broken world gone wrong
Someone walks among us and I hope he hears the call
And maybe it?s a woman or a black man after all

Maybe it?s Obama but he thinks that he?s too young
Maybe it?s Colin Powell to right what he?s done wrong
America has a leader but he?s not in the house
He?s walkin? here among us and we got to seek him out

Yeah we?ve got our election but corruption has a chance
We got to have a clean win to regain confidence
America is beautiful but she has an ugly side
We?re looking for a leader in this country far and wide

We?re looking for a leader with the Great Spirit on his side
