Loose change

(harmonica solo over two verse chord progressions)

Too many distractions

Got to get back home

Get into something solid

Get out of the zone

Some roads bring renewal

Some roads hide and wait

Some roads promise everything

And steal your fuel away

E

Some roads I been flyin\

Some roads I crashed

Some roads I been sleepin\ on
Some roads I got back on

E

Some roads I been runnin\
Some roads I been stopped
Some roads I been walkin down
Some roads I was lost
