

**Lotta Love**  
**Neil Young**

**B**                    **A**                    **A7M G#m7**            **A7M G#m7**  
la-la la-la la la la-la-la oooh ooh    oooh ooh

**A7M G#m7**  
It s gonna take a lotta love  
                         **A7M**                    **G#m7**  
To change the way things are

**A7M G#m7**  
It s gonna take a lotta love  
                         **A7M**                    **G#m7**  
Or we won t get too far

**A7M G#m7**  
So if you look in my direction  
                         **F#m**                    **G#m7 A B**

And we don t see eye to eye  
**A7M**                    **G#m7**  
My heart needs protection  
                         **E B A A6 A7M G#m7**  
And so do I...

It s gonna take a lotta love                    Mesma eqüência dos versos  
To get us through the night  
It s gonna take a lotta love  
To make things work out right  
So if you are out there waitin  
I hope you show up soon  
Cause my head needs relating  
Not solitude

**E**                    **Cm**                    **A**                    **F#m**  
Got a lotta love oh-yeah got a lotta love  
**B**                    **A**                    **A7M G#m7**            **A7M G#m7**  
la-la la-la la la la-la-la oooh ooh    oooh ooh

It s gonna take a lotta love  
To change the way things are  
It s gonna take a lotta love  
Or we won t get too far  
It s gonna take a lotta love...
