Long ago in the book of old,  
**G#**  
Before the chapter where dreams unfold  
**Ebm7 Ebm G#**  
A battle raged on the open page,  
**F# G#**  
Love was a winner there overcoming hate  
**Bb Ebm F#**  
Like a little girl who couldn t wait.  
**B C# Ebm F#**  
Love and only love will endure  
**B C# Ebm F#**  
Hate is everything you think it is  
**B C# Ebm F#**  
Love and only love will break it down  
**B C#**  
Love and only love, will break it down

Break it down, break it down.

Tomorrow is a long long time if you re a memory  
Trying to find peace of mind  
Spirit come back to me,  
Give me strength and set me free  
Let me hear the magic in my heart.

Love and only love will endure  
Hate is everything you think it is  
Love and only love will break it down  
Love and only love, will break it down  
Break it down, break it down.

Long ago in the book of old,  
Before the chapter where dreams unfold  
A battle raged on the open page,  
Love was a winner there overcoming hate  
Like a little girl who couldn t wait.

Love and only love will endure  
Hate is everything you think it is  
Love and only love will break it down  
Love and only love  
Love and only love  
Love and only love  
Love and only love  
Love and only love
