 INTRO:
 G   D   G   F#m   A

 G
Down in the valley the shepherd sees
 D
His flock is close at hand
 G   **F#m**
And in the night sky a star is falling down
                 A
From someone\ s hand

    D   **G**
Somewhere, somewhere
      D   **G**
I\ ve got to get somewhere
      D   **G**   **D**   **G**
It\ s not too late, it\ s not too late
      D   **G**
I\ ve got to get somewhere

      Bm   **F#m**   **G**
This time I will take the lead somehow
      Bm   **F#m**   **A**
This time you won\ t have to show me how

 G
When dreams come crashing down like trees
 D
I don\ t know what love can do
 G
When life is hanging in the breeze
 F#m   **A**
I don\ t know what love can do

    D   **G**
My heart, my heart
      D   **G**
I\ ve got to keep my heart
      D   **G**   **D**   **G**

```
It\ s not too late, it\ s not too late
     D              G
I\ ve got to keep my heart

   Bm                        F#m        G
My love, I will give to you it\ s true
   Bm                          F#m        A
Although I\ m not sure what love can do

G    D     G     F#m     A

     D              G
Somewhere, somewhere
      D              G
I\ ve got to get somewhere
      D      G         D       G
It\ s not too late, it\ s not too late
      D              G
I\ ve got to get somewhere

   Bm                    F#m          G
Somewhere someone has a dream come true
   Bm                  F#m          A
Somehow someone has a dream come true
```
