Eb5 Eb5 Eb5 Eb5 Eb5 Eb5

No more, no more, no more

Seemed like the easy thing

To let it go for one more day

Like singin the same old song

And twistin the words in a different way

Where did the magic go

I searched high and low

I can t find it no more

I can t get it back

I can t find it no more

I can t find it no more

No more, no more, no more, no more

Searchin for quality

Havin to have the very best

Now scroungin for quantity
 Never havin time to do the test
 That s how the story goes
 Can t put it down
 Till the last page
 I can t put it down
 I can t put it down
 I can t put it down
 I can t put it down
