

One Of These Days  
Neil Young

Intro: G Em G C G Em C

G Em  
One of these days,  
G  
I m gonna sit down  
C  
and write a long letter  
G Em C  
To all the good friends I ve known  
G Em  
And I m gonna try  
G  
And thank them all  
C  
for the good times together.  
G Em C  
Though so apart we ve grown.

G  
One of these days,  
Dm  
I m gonna sit down  
and write a long letter  
C Am  
To all the good friends I ve known  
G Em  
One of these days,  
G Em  
one of these days,  
G Em  
one of these days,  
C Dm  
And it won t be long, it won t be long.

( G Em G C G Em C )

G Em  
And I m gonna thank,  
G C  
That old country fiddler  
G Em C  
And all those rough boys

Who play that rock n roll  
G Em G C  
I never tried to burn any bridges

G            Em            C  
Though I know I let some good things go.

G  
One of these days,

Dm  
I m gonna sit down  
and write a long letter

C                            Am  
To all the good friends I ve known

G            Em  
One of these days,

G            Em  
one of these days,

G            Em  
one of these days,

C                            Dm  
And it won t be long, it won t be long.

( G   Em   G   C   G   Em   C )

G            Em  
From down in L.A.

G            C  
All the way to Nashville,

G            Em  
From New York City

C  
To my Canadian prairie home

G            Em  
My friends are scattered

G            Em  
Like leaves from an old maple.

G            Em    C  
Some are weak, some are strong.

G  
One of these days,

Dm  
I m gonna sit down  
and write a long letter

C                            Am  
To all the good friends I ve known

G            Em  
One of these days,

G            Em  
one of these days,

G            Em  
one of these days,

C                            Dm  
And it won t be long, it won t be long.

G            Em

One of these days,  
**G**                    **Em**  
one of these days,  
**G**                    **Em**  
one of these days,  
         **C**                    **Dm**                    **G**  
And it won't be long, it won't be long.
