One Of These Days
Neil Young

Intro: **G#   Fm   G#   C#   G#   Fm   C#**

G#   **Fm**
  One of these days,
G#
  I m gonna sit down
      C#
  and write a long letter
G#   **Fm**   **C#**
  To all the good friends I ve known
G#   **Fm**
  And I m gonna try
G#
  And thank them all
        C#
for the good times together.
G#   **Fm**   **C#**
  Though so apart we ve grown.

G#
  One of these days,
Ebm
  I m gonna sit down
and write a long letter
C#   **Bbm**
  To all the good friends I ve known
G#   **Fm**
  One of these days,
G#   **Fm**
  one of these days,
G#   **Fm**
  one of these days,
        C#   **Ebm**
And it won t be long, it won t be long.

(**G#   Fm   G#   C#   G#   Fm   C#**)

G#   **Fm**
  And I m gonna thank,
G#   **C#**
  That old country fiddler
G#   **Fm**   **C#**
  And all those rough boys

Who play that rock n roll
G#   **Fm G#**   **C#**
  I never tried to burn any bridges

```
G#              Fm             C#
  Though I know I let some good things go.

G#
  One of these days,
Ebm
  I m gonna sit down
and write a long letter
C#                                  Bbm
  To all the good friends I ve known
G#              Fm
  One of these days,
G#              Fm
  one of these days,
G#              Fm
  one of these days,
      C#                    Ebm
And it won t be long, it won t be long.

( G#  Fm  G#  C#  G#  Fm  C# )

G#                    Fm
  From down in L.A.
G#           C#
  All the way to Nashville,
G#                   Fm
  From New York City
C#
  To my Canadian prairie home
G#                    Fm
  My friends are scattered
G#               Fm
  Like leaves from an old maple.
G#           Fm    C#
  Some are weak, some are strong.

G#
  One of these days,
Ebm
  I m gonna sit down
and write a long letter
C#                                  Bbm
  To all the good friends I ve known
G#              Fm
  One of these days,
G#              Fm
  one of these days,
G#              Fm
  one of these days,
      C#                    Ebm
And it won t be long, it won t be long.

G#                    Fm
```

```
   One of these days,
G#              Fm
   one of these days,
G#              Fm
   one of these days,
      C#              Ebm              G#
And it won t be long, it won t be long.
```
