She loves him so
She loves him so
She does what she has to

She loves him so
She does what she needs to

[Verse 2]

In a Ramada Inn near the grapevine

They stop to rest for the night
Traveling down south looking for good times
Visiting old friends feels right
People they haven't seen him forever
Since high school, Santa Jose times
Restaurant food and the bottle
Had a few drinks
Now they're feeling fine
Every morning comes the sun
And they both rise to the day
Holding on to what they've done

[Chorus]

[intro riff]

She loves him so
She loves him so
She loves him so
She does what she has to
She loves him so
She loves him so
She loves him so
She does what she needs to

[Verse 3]

Seem like lately things are changing
Seems like lately things are going south
A few drinks now and she hardly knows him
He just looks away and he checks out
And when she says it's time for him to do something
Maybe talk to his old friends who gave it up
He just pours himself another tall one
Closes his eyes and says that's enough
Every morning comes the sun
And they both rise to the day
Holding on to what they've done

[Chorus]

[intro riff]

She loves him so
She loves him so
She loves him so
She does what she has to
She loves him so
She loves him so
She loves him so
She does what she needs to

[Bridge]

Every morning comes the sun
And they both rise to the day
Holding on to what they've done

[Chorus]

[intro riff]

She loves him so

She loves him so

She loves him so

She does what she has to

She loves him so

She loves him so

She loves him so

She does what she needs to
