Roll Another Number (For the Road) - Neil Young
from the book _NYCM3_
typed by Steve Vetter

C# **F#** **C#**
It s too dark to put the keys in my ignition
F# **G#**
and the morning sun is yet to climb my hood ornament
C# **F#** **C#** **F#**
But before too long I might see t hose flashing red lights
Eb7 **F#** **G#** **C#**
look out mama cause I m comin home tonight

C# **F#** **C#**
I think I ll roll another number for the road
F# **G#**
I feel able to get under any load
C# **F#**
though my feet aren t on the ground
C# **F#**
I been standing on the sound
Eb7 **F#** **C#** **F#**
of some open hearted people going down

C# **F#** **C#**
I m not going back to Woodstock for a while
F# **G#**
though I long to hear that lonesome hippie smile
C# **F#** **C#** **F#**
I m a million miles away from that helicopter day
Eb7 **F#** **G#** **C#**
no I don t think I ll be going back that way

C# **F#** **C#**
I think I ll roll another number for the road
F# **G#**
I feel able to get under any load
C# **F#**
though my feet aren t on the ground
C# **F#**
I been standing on the sound
Eb7 **F#** **C#** **F#**
of some open hearted people going down
