

Gotta get away

I m makin another delivery
Of chemicals and sacred roots
I ll hold what you have to give me
But I ll use what I have to use
The lasers are in the lab
The old man is dressed in white clothes
Everybody says he s mad
Nobody knows the things he knows

No one knows
No one knows
No one knows
No one knows

I m lookin in every hallway
I still can t accept the stares/stairs
I m sleepin with many covers
I m warm now so I don t care
I m thinkin of noone in my mind
Sedan delivery is a job I know I ll keep
It sure was hard to find

Hard to find
Hard to find
Hard to find
(Hard to find a job)
Hard to find

sometimes, there seems to be a further note dropped right before going back to the A s and G s... but this is difficult to play.
