Sedan Delivery : Rust Never Sleeps : Neil Young

barre chords go from A to G very quickly throughout

Av Giii Bb G# Bb
Last night I was cool at the pool hall

G# Bb G# Bb
Held the table for eleven games

G# Bb G# Bb
Nothing was easier than the first seven

G# Bb G#
I beat a woman with varicose veins

Eb EbM7
She stopped to see herself in the mirror

Eb7
Fix her hair and hide her veins

Bb G#
But she lost the game

Next day I went to the dentist
He pulled some teeth and I lost some blood
We d like to thank you for the cards you sent us
My wives and I were all choked up

D (ie - no changes to DM7 and D7)

I recall how Ceaser and Cleo
Made love in the Milky Way
They needed boats and armies to get there
I know there s a better way
I saw the movie and I read the book
But when it happened to me
I sure was glad that I had what it took
To get away

Gotta get away
Gotta get away
Gotta get away

Gotta get away

I m makin another delivery
Of chemicals and sacred roots
I ll hold what you have to give me
But I ll use what I have to use
The lasers are in the lab
The old man is dressed in white clothes
Everybody says he s mad
Nobody knows the things he knows

No one knows
No one knows
No one knows
No one knows

I m lookin in every hallway
I still can t accept the stares/stairs
I m sleepin with many covers
I m warm now so I don t care
I m thinkin of noone in my mind
Sedan delivery is a job I know I ll keep
It sure was hard to find

Hard to find
Hard to find
Hard to find
(Hard to find a job)
Hard to find

notes:

Eb 557775
Ebm7 557675
Eb7 557575

sometimes, there seems to be a further note dropped right before going back to the A s and G s... but this is difficult to play.
