See the Girl Dance : Neil Young : Unsung Hero & 1971 BBC concert

This is not in the recorded key - i suspect Neil s guitar could be tuned down to D, same shapes. On the other hand, it s a very bad bootleg recording :-)

Strumming:
up-stroke /
down \

Av = xx5433
G#6 = xx5435
G#s4 = 002230
A9hA = hammer on from 002200 to 002220
E/ means hit the tonic bass note hard!

You can figure out the bass notes to hit in the verses easy enough.

In the intro, give a quick up and down strum on an ordinary A, before jumping down to A at fifth.

See the girl dance

Mississippi mud never touched her fingers
California sand lies in her hand
Love her more than life as the daylight lingers
Early in the morning I ll be her man

Dance, dance feel it all around you
Dance, dance, dance
Mississippi mud never touched her fingers
See the girl dance
See the girl dance

enjoy!
