SILVER AND GOLD- Neil Young

```
F#              C#
Working hard every day
B
Never notice how the time slips away
F#             C#
People come, seasons go
B
We got something that will never grow old
```

CHORUS:
```
F#         B          F#           B
I don t care if the sun don t shine
          F#           B              F#         B
And the rain keeps falling down on my and mine
     F#          G#m    Bbm   G#m          C#   C#sus4   C#
Cos our kind of love, never seems to get old
(N.B.)             F#          B    F#  B  F#  B  C#
It s better than silver and gold
```

```
I used to have a treasure chest
Got so heavy that I had to rest
I let it slip away from me
Didn t need it anyway, so I let it slip away
```

CHORUS TWICE

```
                  F#           B  F#  B
It s better than silver and gold
                  F#           B  F#  B
It s better than silver and gold
                F#           B    F#  B  F#
It s better than silver and gold
```

```
B           F#
Working hard every day
E
Never notice how the time slips away
B          F#
```

```
People come, seasons go
E
we got something that will never grow old

CHORUS:
B
I don t care if the sun don t shine
                                        E
and the rain keeps falling down on my and mine
B                                           F#
Cause our kind of love, never seems to get old
                  B
It s better than silver and gold

I used to have a treasure chest
got so heavy that i had to rest
I let it slip away from me
didn t need it anyway, so I let it slip away

I play it this way:
(I also usually keep my guitar tuned down a step,
so it may be equivalent to what Steve has down,
I didn t really check before replacing the chords...)
