SILVER AND GOLD- Neil Young

**A**                    **E**  
Working hard every day  
**D**  
Never notice how the time slips away  
**A**                    **E**  
People come, seasons go  
**D**  
We got something that will never grow old

CHORUS:

**A**                    **D**                    **A**                    **D**  
I don t care if the sun don t shine  
                         **A**                    **D**                    **A**                    **D**  
And the rain keeps falling down on my and mine  
                         **A**                    **Bm**                    **C#m**                    **Bm**                    **E** **Esus4**   **E**  
Cos our kind of love, never seems to get old  
(N.D.)                    **A**                    **D**                    **A**   **D**   **A**   **D**   **E**  
It s better than silver and gold

I used to have a treasure chest  
Got so heavy that I had to rest  
I let it slip away from me  
Didn t need it anyway, so I let it slip away

CHORUS TWICE

**A**                    **D**   **A**   **D**  
It s better than silver and gold  
                         **A**                    **D**   **A**   **D**  
It s better than silver and gold  
                         **A**                    **D**   **A**   **D**   **A**  
It s better than silver and gold

I play it this way:

(I also usually keep my guitar tuned down a step,

so it may be equivalent to what Steve has down,

I didn t really check before replacing the chords...)
