## Stranger In Paradise <br> Neil Young

NEIL YOUNG

STRANGER IN PARADISE

```
NOTE : This song is a piano song that you have to listen
if you want to sing and play guitar correctly.
Also, you have variations of basses on the intro
and at the end of the song, over a unique chord
...easier thing to do on a piano than on a guitar.
This is a beautiful song, so take time to learn it
and don t give up at the first try!
