

The Believer
Neil Young

The Believer

A **D** **A**
I m just a believer baby in those dreams of mine
D **A**
You see they just keep on comin in a long, long line
D **A** **D**
Oh yeah, I m the believer

And like that songbird singin whether it s red or blue
Just like those church bells ringin I m keepin my faith in you
Oh yeah, I m the believer
Oh yeah, I believe in you

Bm **E** **A** **D**
And though the seas may rise, until they do
Bm **E** **A** **D**
I keep doin the things I m doin and believe in you
Dm **E** **G7** **A**
I m makin the change, I m keepin my faith in you
D **A** **D**
Oh yeah, I m the believer
Oh yeah, oh yeah

Sure is a windy road that I walk with you
Look how the trees are bendin their leaves are fallin too
Oh yeah, oh yeah
I m the believer, babe, oh yeah

I remember my mama saying I want to be
On this windy road for eternity
I m makin the change I m keepin my faith in you
Oh yeah, I m the believer, babe
I believe in you
Oh yeah, I m the believer, babe
