The people have heard the news

The people have spoken

You may not like what they said

But they weren't joking

Way out on the desert sands

Lies a desperate lover

They call her the Queen of Oil

So much to discover

Don't need no ad machine

Telling me what I need

Don't need no Madison Avenue War

Don't need no more boxes I can see covered in flags

A

But I can't see them on TV

Don't need no more lies

With such an appetite for taste and grace

People from around the world
Need someone to listen
We re starving and dying from our disease
We need your medicine
How do you pay for war
And leave us dyin ?
When you could do so much more
You re not even tryin

Don t need no TV ad
Tellin me how sick I am
Don t want to know how many people are like me
Don t need no dizziness
Don t need no nausea
Don t need no side effects like diarrhea or sexual death

Don t need no more lies
Don t need no more lies
Don t need no more lies
Don t need no more lies

The restless consumer lies
Asleep in her hotel
With such an appetite
For anything that sells

A hundred voices from a hundred lands
Need someone to listen
People are dying here and there
They don t see the world the way you do
There s no mission accomplished here
Just death to thousands

A hundred voices from a hundred lands
Cry out in unison

Don t need no terror squad
Don t want no damned Jihad
Blowin themselves away in my hood
But we don t talk to them
So we don t learn from them
Hate don t negotiate with Good

Don t need no more lies
Don t need no more lies
Don t need no more lies
Don t need no more lies

The restless consumer flies
Around the world each day
With such an appetite for efficiency
And pace...

Don t need no more lies.
