Second Verse:

I m standing on a shoreline
It s so fine out there
Leaving with the wind blowin
But love takes care
Know me, know me
Show me, Show me

New things I m knowing .....

Last verse
Wind blowing through my sails
It feels like I m gone
Leaving with the wind blowing
Through my sails

Really, the chord changes are just simple hammer-ons and pull-offs. As you
can see, I learned this song by ear so please go ahead and experiment with
what sounds right to you.   Enjoy. :)
