1. Bruce Berry was a workin man,
 he used to load that Econoline Van.
 A sparkle was in his eyes, but his life was in his hand.
 Well, late at night when the people were gone,
 he used to pick up my guitar,
 and sing a song in a shaky voice
 that was real as the day was long. + REFRAIN

2. Early in the mornin at the break of day,
 he used to sleep until the afternoon.
 If you never heard him sing,
 I guess you won t too soon.
 Cause people, let me tell you,
 it sent a chill up and down my spine
 when I picked up the telephone
 and heard that he died out on the mainline. + REFRAIN

 he used to load that Econoline Van.
 But early in the mornin , just about the break of day,
 he used to sleep until the afternoon. + REFRAIN (3x)...
