F   **F**   **C**
When I woke up you were gone
        Bb   **F**
and the sun was on the lawn
                         C
Empty pillow with perfume on
    Bb
I smelled it

F   **C**
Well we met in my favorite bar
       Bb   **F**
took a ride in my old car

But I still don t know how
C   **Bb**
We made it home

F   **Bb/G C7**
Was I too far gone
Bb(addD) **F**
too far gone
    Bb/G C7   **Bb**
too far gone for you?

F   **C**
We had drugs and we had booze
        Bb   **F**
But we still had something to lose

```
                       C    Bb          F
And by dawn I wanted to marry you
                              C
With our attitudes by day
        Bb                    F
And our secret dreams by night
                         C        Bb
Can we really live our lives that way

F          Bb/G C7
Am  I too far gone
Bb(addD)  F
too far gone
    Bb/G C7         Bb
too far gone for you?
