A A7+
 Preacher went up to the Golden Gate,
 D A
 And met God there,
 F#m D E
 With the glow of love in his flowing hair.
 A A7+
 I m dreamin of a time when love and music,
 D A
 Is everywhere.
 F#m D E
 Can you see that time comin ?
 A A7+
 No my son that time has gone,

 F#m D E
 The world has changed since I first met you.

A A7+
 Back when The Band played Rock of Ages,
 D A
 In their prime,
 F#m D E
 And the old juke joint was rockin ...

Esus4 E D A
 Oh Lord there s so much hate,
 F#m D A
 In a world where we re from another place.
 Esus4 E D A

Show me how to be like you.

C Fmaj7
See no evil, hear no evil,
C D
Feel no evil in my heart.
D A
In my heart, in my aching heart.
D
In my heart, in my heart,
A
In my old black heart.
D
In my heart, in my heart,
A
In my beating heart.

A A7+
Sky had turned a lotta shades of gray,
D A
As they walked on,
F#m D E
And a gentle rain fell down on them.

A A7+
They found faith in the way things are and,
D A
The way things change,
F#m D E
And they said goodbye like two old friends.

Esus4 E D A
Take me up to the mountains high,
F#m D A
Or a building top where the spirits fly.

Esus4 E D A
Show me how to be like you.

C Fmaj7
See no evil, hear no evil,
C D
Feel no evil in my heart.
D A
In my heart, in my aching heart.
D
In my heart, in my heart,
A
In my old black heart.
D
In my heart, in my heart,
A
In my beating heart.

Esus4 E D A
Oh Lord there s so much hate,
F#m D A
In a world where we re from another place.
Esus4 E D A
Show me how to be like you.

C Fmaj7
See no evil, hear no evil,
C D
Feel no evil in my heart.
D A
In my heart, in my aching heart.
D
In my heart, in my heart,
A
In my old black heart.
D
In my heart, in my heart,
A
In my beating heart.
