Vampire Blues - Neil Young

From the album On the Beach
tabbed by Howard Wright

H.Wright@astro.cf.ac.uk

The little intro riff goes something like this :

h = hammer on

E-----4-----3-----2-----4/2-----|
B-----|
G---0h4---4---0h3---3---0h2---2---0h1---0h4---/2-----|
D-----|
A-----|
E-----|

E

I m a vampire babe

E

Suckin blood from you

G

I m a vampire babe

A7

E

Suckin blood from you

B7

A7

.....

E B7

.....

I can't remember the last two lines, but anyway, you've got the chords.

Basically a straight blues-type progression, but with the G giving it a bit of life.

Howard
