Vampire Blues - Neil Young

From the album On the Beach  
tabbed by Howard Wright

H.Wright@astro.cf.ac.uk

The little intro riff goes something like this :

h = hammer on

|   |  |
|---|--|
| E-----4-----3-----2-----4/2-----                      |  |
| B-----  |  |
| G---0h4---4---0h3---3---0h2---2---0h1---0h4---/2----- |  |
| D-----  |  |
| A-----  |  |
| E-----  |  |

**E**

I m a vampire babe

**E**

Suckin blood from you

**G**

I m a vampire babe

**A7**

**E**

Suckin blood from you

**B7**

**A7**

.....

**E**                **B7**

.....

I can t remember the last two lines, but anyway, you ve got the chords.

Basically a straight blues-type progression, but with the G giving it a bit of life.

Howard
