

Walk Like A Giant Neil Young

Neil Young & Crazy Horse - Walk like a giant
(from 2012 live performances)

Hey guys, this is my first chord, so don't be too angry with me if there are too many mistakes. The lyrics are from sugarmtn.org, I corrected a few mistakes, but I think it's not yet totally accurate.

Am	F	Am	F
I used to walk like a giant on the land			
Am	F	Am	F
Now I feel like a leaf floating in a stream			
Am	F		
I used to walk like a giant			
Am	F	C	
I used to walk like a giant on the land			
C			
Me and some of my friends			
C			
We were gonna save the world			
C			
We were trying to make it better			
C			
We were ready to save the world			

Dm7			
Then the weather changed			
Em			
And the white got stained			
Riff*			
And it fell apart			
Riff*			
And it breaks my heart			
C	G	F	C
To think about how close we came

I wanna walk like a giant on the land
